Dear Judge Pedersen,

Mr. Scaccia is scheduled for a detention hearing on Friday, April 29, 2021. At this time I respectfully request a two week adjournment of the detention hearing. AUSA Brett Harvey informed me that a probation violation warrant will be lodged against Mr. Scaccia on Monday. I would like to get more information about his state matter before moving forward with a detention hearing. I will file a letter with the Court this afternoon requesting the adjournment and time exclusion.

Respectfully,

Wedade W. Abdallah
